INGLÉS Y SU ENSEÑANZA 3

Lesson Plan

Name trainee: Cotabarren, Aldana	Tel. number:	Date:	Class number:
Course:	Time:	Coursebook: 5th Adol	Topic: internet + School/Education around the world

Objectives: That students be able to understand a written
That students be able to explain main information orally

TIME	OBJECTIVES	ACTIVITIES	LANGUAGE						MATERIALS	INT. PATTERN	ANT. PROBLEMS
			G	V	R	L	S	W			
5 min	That students be able to recall vocabulary related to education and school	The teacher will elicit vocabulary related to schools. She will ask students questions like what kind of schools can you mention?					x		computer	Whole class	That student might take longer than expected to read and create the slogan. (The teacher will set clearly a time limit)
10 min	That students be able to scan a text to find main information	Then she will ask students to work in pairs. She will hand each pair a paper with a web page of a school (each pair will have a different one). The teacher			x					Pair work	

| 15/20 | That students be able to explain the information they have read orally | will ask students to enter that page and find out information about that school (type of school such as boarding school, public school or private school, subjects and interesting information)

The teacher will tell students that now she wants to invest her money on one of those schools. So, they have to promote the schools. She will ask them to enter http://generatorblog.blogspot.com/, to go to slogan and create in two minutes the slogan for the school. After that, the students will have to promote the school orally, explaining the slogan and the information they have found. | | | | x | | x | | | Pair work | |

		Meanwhile, the rest of the students will have to pay attention to interesting vocabulary that their partners might mention and can be useful for their presentation/promotion
