trigger off				
discussion among				
the group. She will				
ask questions such				
as:				
Do you feel that the				
government has				
the right to tell				
parents what kind				
of medical care				
they must give their				
children? Why or				
why not?. Once				
students have				
shared their				
opinions orally, the				
teacher will ask				
them to upload				
their opinions on				
the CNN web page
