

## **Madagascar**

### Reflection questions

What is the purpose of the film?

Describe the change in the animals – if any – when they are in the wild.

What is the objective of having included the song ‘What a wonderful world’?

Where should animals live? And if species were endangered?

Mention advantages and disadvantages of living in the zoo and on the island (referring to the animals in the movie)

Gloria claims her friends and herself to be tough, gritty and adaptable (features shared by New Yorkers). Imagine how a group of Argentinean animals would react in their situation.
