Sweet dreams by Beyonce

First two stanzas

Turn the lights on
Every night I rush to my bed
With hopes that maybe
I'll get a chance to see you when I close my eyes
I'm goin' out of my head
Lost in a fairy tale
Can you hold my hand and be my guide
Clouds filled with stars cover your skies
And I hope it rains
You're the perfect lullaby
What kind of dream is this
You can be a sweet dream or a beautiful nightmare
Either way I
Don't wanna wake up from you
Sweet dream or beautiful nightmare
Somebody pinch me
Your love's too good to be true
-

Listen and complete the blanks

Turn the lights
My guilty pleasure I ain't goin' nowhere
Baby, long as you're here
I'll be floating air
You can be a sweet dream or a beautiful nightmare
Either way I
Don't wanna wakefrom you
I mention you when I say my prayers
I wrap you around all my thoughts
Boy, you are my temporary high
I wish when I wake you're there
So wrap your arms around me real
And tell me you'll stay my side
Clouds filled stars cover the sky
And I hope it rains
You're the perfect lullaby
What kind dream is this
You can be a sweet dream or a beautiful nightmare
Either way I
Don't wanna wake from you
Sweet dream or beautiful nightmare
Somebody pinch me
Your love's too good to be true
Turn the lights
My guilty pleasure I ain't goin' nowhere
